Mrec Investment Management Oy appoints Tomi Grönlund as the new Managing Director

Tomi Grönlund has joined Mrec Investment Management Oy (“Mrec IM”) as the Managing Director as of 1 October 2018. Mrec IM is an independent boutique real estate investment, development and asset management company, established in 2015. Since inception, Mrec IM has managed investment and asset management mandates worth nearly EUR 1 billion. Among others the company has acted as the operating partner of Antilooppi and Hemfosa on their market entries, establishment and interim management.

Tomi Grönlund M.Sc. (Finance) joins Mrec IM from Aberdeen Standard Investments. Aberdeen has consistently been one of the leading investors in the Nordic real estate market and Tomi has been a key player in this activity as the Head of Transactions in Finland. Previously he has also held executive roles at Kenmore Property Group and Tamar Capital Partners. Prior to that Tomi worked with large transaction processes at Advium Corporate Finance.

“We warmly welcome Tomi to Mrec IM. With his broad experience and network in deal sourcing, asset management and development, he is an excellent addition to our team. We will continue offering full-service investment management services to our existing clients and look forward to broadening our client base.” says Ville Mannila, CEO, Mrec Group.

“I look forward to working with the team to take Mrec IM business to the next level. Mrec Group offers a perfect platform for developing a leading investment management player on the market.” says Tomi Grönlund
