

PRESS RELEASE

6 March 2019

Mikael Pehrsson joins as Partner at Alma Property Partners

Alma Property Partners hired Mikael Pehrsson as Partner on the investments team. Mikael has significant experience within the real estate investments market from his previous positions with Cromwell Property Group and Sveafastigheter.

“We are excited that Mikael has decided to join the investments team and partner group at Alma. I have worked with Mikael over a long period at Sveafastigheter so he knows how we operate. I am looking forward to working with him again,” says Simon de Chateau, founder and CIO at Alma Property Partners.

Mikael’s primary roles at Alma Property Partners will be to identify and develop business opportunities including completing real estate transactions. He joins from Cromwell Property Group, a leading Australian property investment and funds management group, where he led the investment management activities in the Nordic region. From 2008-2017, Mikael was a part of the investment team at Sveafastigheter (now Brunswick Real Estate).

“I am excited by the opportunity to join a strong group at Alma. I look forward to being an integral part of the growing the business and to creating outstanding value for our investors,” says Mikael Pehrsson, Partner at Alma Property Partners.

Alma Property Partners is currently raising capital for its second pan-Nordic opportunistic real estate fund. The target is to raise €250 million of equity.

About Alma Property Partners

Alma Property Partners is a real estate investment company focused on the Nordic Region. The company is built on the principles of active ownership and strong alignment with investors and is therefore fully owned by senior team members that work actively within the company. The team has extensive experience and a strong track record in Nordic real estate investment and asset management. Alma Property Partners aims to become the leading Nordic real estate investment company and the partner of choice for institutional investors seeking real estate exposure in the Nordic Region.
